**All the glorifications and  
praises are for Allâh  
Alone, and His countless blessings be  
upon the last Prophet Muhammad .  
To bring up a child under the blessings  
of Allâh, it is necessary that from an  
early age we should introduce them to  
the ways of invoking  
our Lord, the Magnificent, the  
Beneficent. All of the invocations, praises  
and mentioning of Allâh presented in  
this book are related from the Sahih  
Ahadith  
of our beloved Prophet Muhammad .  
May Allâh fulfill our wishes and make  
our efforts successful in this regard.  
Amin**
